GREENWOOD
FORMULA**

GRASS SEED

A STUMPP & WALTER CO. PRODUCT

GREENWOOD FORMULA LAWN GRASS SEED

(Reg. U. S. Patent Office)

Greenwood is strictly a first class formula, the ingredients are well balanced and designed to fill a two-fold need, (a) for the dealer who aims to supply quality goods in bulk or containers, and (b) the landscape man who is anxious to sow a mixture that he knows is made of Grasses, with highest tests and remachined for elimination of weeds. In spite of its super-fine quality, the price is right, namely,

1 lb. cartons, (50 to a case), (retail price 50 cts. each). \$11.00 per case
5 " bags... (10 " " "), (" " \$2.25 "), 10.50 " "
100 lb. bags, \$19.00 per 100 lbs., \$92.50 per 500 lbs.

HIGH GRADE LAWN SEED

Our High Grade Central Park should not be confused with many ordinary mixtures offered under name of "Central Park." This is a fancy mixture, containing a high percentage of important, turf producing grasses. High Grade weighs 22 lbs. to a bushel.

1933 CATALOGUE

FOR THE MARKET-GARDENER, FARMER, FLORIST and NURSERYMAN

OUR NEW HEADQUARTERS BUILDING

WE OFFER to the Horticultural Trade a selection of High Quality Vegetable Seeds, Flower Seeds and Bulbs, listing those modern varieties which experience has shown to be the most profitable to the commercial grower. Prices are now lower than in many years, and they should commend our products to the Business House or Individual occupied in the cultivation of the soil.

For thirty-six years we have been in business, during which time our products have earned for themselves a reputation for dependability, of which we are very proud, and which we aim to guard most jealously. In New York City our Headquarters are built especially for our business: new warehouses of concrete construction are moisture and vermin proof, with special devices for the control of temperature and humidity, to insure that our merchandise is stored under ideal conditions. Here also we test our Seeds, and users may rely upon receiving from us only those of high germination. During summer we aim to prove all our stocks by growing samples of them to maturity on our ex-

tensive Trial Grounds at Farmingdale, Long Island.

We have a competent staff, who fill orders carefully and promptly. The patronage of the Horticulturist is solicited, and orders may be sent by mail or telegram to 132-138 Church Street, (Corner Warren Street), New York, N. Y., but if it is preferred to make purchases in person, we are anxious to render interested service at our store.

TERMS OF BUSINESS

DELIVERY. When cash accompanies order, we deliver by truck, mail, express, or freight, at our option, all Vegetable, Flower, and Grass Seeds. Customer pays transportation on Bulbs, Field Seeds, Implements, Fertilizers, Plants, and Potatoes.

TERMS. It is always a pleasure to open charge accounts with parties of approved credit, basis of 60 days net. Three per cent discount allowed for cash with order.

PACKING. We make no charges for cases or packing, only for cotton and burlap bags; these we invoice at cost and make full allowance when returned, prepaid, in good condition.

REMITTANCES should be made by Draft on Bank, Post-Office Order, Registered Letter, or Express Money Order. Particular care is essential in having name, post office, county, and state distinctly written; we are in receipt of many orders deficient in these important particulars.

NON-WARRANTY. We, Stumpp & Walter Co., give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs, or plants we send out, and will not be responsible for the crop.

STUMPP & WALTER CO.'S High-Grade Vegetable Seeds

TO MAINTAIN the High Quality standard established in 1897 when Stumpp & Walter Co. started in business, they not alone thoroughly clean each lot of seed, but seeds are tested before sending to you to make sure they grow strongly. As a further precaution a representative sample of each of the seeds are grown to maturity at our experimental grounds to prove for purity, and make selections for new and better types.

GENERAL LIST OF GRASSES, CLOVER AND FIELD SEEDS

Grass and Field Seeds fluctuate considerably. These are prevailing market prices as of December 1, 1932, and are subject to change without notice.

Let us quote you today's prices.

All our seeds are carefully examined as to purity and growth in our own laboratory and tested by the leading seed-testing stations.

The percentage of purity and growth is determined before we send out any seeds of any description from our establishment, and in comparing prices, remember that we will furnish, on application, the percentage of purity and growth. We have only seeds of the very best quality.

Many of our customers desire to purchase grasses in certain varieties or specify varieties to be used in a mixture. We shall be pleased to make up mixtures requested and will make no charge for the mixing.

S. & W. CO.'S SUPERB ASTERS

NEW WILT-RESISTANT STRAINS

For several years our growers have been working on a strain of Asters resistant to the Fusarium Wilt Disease which has caused so much trouble to gardeners in recent years. Although no method of control has been discovered, we believe prevention through the use of wilt-resistant strains of seed is the only practical method of combating the disease. We feel sure that by sowing this seed many disappointments due to crop failures will be eliminated. We offer seventeen types or colors:

"WR" Beauty Carmine Rose
 Improved Queen of the Market—"WR" Crimson, "WR" Dark Blue
 Early Royal—"WR" Purple, "WR" Rose Pink
 Improved Crego or Ostrich Feathered—"WR" White, "WR" Deep Rose,
 "WR" Shell Pink
 King—"WR" Crimson
 Late Branching—"WR" Crimson, "WR" Purple, "WR" Deep Rose,
 "WR" Shell Pink, "WR" White
 "WR" Heart of France
 Astermum—"WR" Lavender, "WR" White

Price of any of the above Wilt-Resistant strains, Trade Pkt. 25 cts.,
 1/4 oz. 60 cts., oz. \$2, 1/4 lb. \$7.50

Note. Be sure to add the letters "WR" to the type or color when ordering any of these Wilt-Resistant strains.

EARLY-BLOOMING ASTERS

EARLY WONDER

We consider this the earliest Aster in our list. The flowers are of good size, quite double, and are borne on good, long, stiff stems, which makes them of great value for cutting.

Carmine-Rose White Light Rose Light Blue Dark Blue Mixed
 Above colors or mixed, Trade Pkt. 25 cts., 1/4 oz. 60 cts., oz. \$2, 1/4 lb. \$7.50.

QUEEN OF THE MARKET

This well-known, early-flowering Aster is of a branching habit, growing about 1 1/2 feet high, and comes into bloom directly after Early Wonder.

White Crimson Flesh-Pink Rose Dark Blue Light Blue Mixed
 Any of the above colors, or mixed, 1/4 oz. 30 cts., oz. \$1, 1/4 lb. \$3.50

EARLY ROYAL. *Branching Type*

An early flowering form of our Superb Late Branching Aster.

 Any of the above colors, or mixed, 1/4 oz. 30 cts., oz. \$1, 1/4 lb. \$3.50

DWARF QUEEN ASTERS

A beautiful strain of early dwarf-growing Aster, 14 inches high, suitable for pot or border work.

Flesh-Color Crimson Dark Blue White
 Brilliant Rose Light Blue Mixed

Any of the above colors, or mixed, Trade Pkt. 25 cts., 1/4 oz. \$1, oz. \$3.50

MIDSEASON-BLOOMING ASTERS

NEW GIANT PEONY-FLOWERED

This magnificent strain, which we introduced last season, has proved to be one of the finest Asters ever introduced. It has been grown by all the leading private gardeners and florists throughout the country, and has given them satisfaction in every way. It is exceptionally good for cutting; the stems are exceedingly upright, non-lateral branching. Flowers are splendid keepers, good shippers, and often exceed 6 inches in diameter. We offer this magnificent strain in:

Apple Blossom Rose White
 Azure-Blue Peach Blossom Purple

Any of above New Asters. Trade Pkt. 25 cts., 1/8 oz. 60 cts., 1/4 oz. \$1, oz. \$3.50.

THE SIX KING ASTERS

Magnificent Asters, distinct from all others in the character of the flowers. The long, narrow petals are folded lengthwise, appearing almost as though quilled.

Lavender King	Violet King	Rose King
Pink King	White King	Crimson King

The above colors and mixed, $\frac{1}{4}$ oz. 30 cts., oz. \$1, $\frac{1}{4}$ lb. \$3.50

IMPROVED CREGO OR OSTRICH-FEATHERED. *Improved Comet Type*

The flowers are borne on long, stiff stems and are of a fluffy character, frequently measuring 5 inches and over in diameter.

White	Purple	Lavender	Crimson
Azure-Blue	Pink	Deep Rose	Mixed

Any of the above colors, or mixed, Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50

S. & W. CO.'S MIDSEASON GIANTS

Our grower, after several seasons of hybridizing and selecting, is now able to offer a type characterized by the Beauty's vigorous growth and the Crego or Ostrich-feather type of flowers—a true nonlateral Aster. The flowers are much larger and more substantial than the Improved Crego, measuring 5 to 6 inches in diameter and standing up well when shipped as cut-flowers.

The above colors, $\frac{1}{4}$ oz. 30 cts., oz. \$1

GIANT CALIFORNIA SUNSHINE ASTERS

The Most Beautiful Aster in the World

This new strain of supremely beautiful Asters is the result of a direct cross between our now well-known Midseason Giants and the dwarf, much-branched Sunshine type, hence the name. Plants grow 3 feet high and bear blossoms on long, stiff stems, admirable for cutting. The blooms are enormous—4 to 6 inches in diameter. We offer in mixed colors of Enchantress Pink, Apple-blossom, Deep Rose, Blue, and Lavender, all with disk of lovely light yellow.

Trade Pkt. 25 cts., $\frac{1}{8}$ oz. \$1, $\frac{1}{4}$ oz. \$1.50, oz. \$5

LATE-BLOOMING ASTERS**S. & W. CO.'S LATE BRANCHING**

The flowers are of extraordinary size—much larger than other varieties—and stand erect on long, graceful stems, well above the foliage; flower-stems 15 to 20 inches long. Grand for cutting.

Pure White	Rose-Pink	Purple	Shell-Pink	Lavender	Crimson	Mixed
------------	-----------	--------	------------	----------	---------	-------

Any of the above colors, or mixed, $\frac{1}{4}$ oz. 30 cts., oz. \$1, $\frac{1}{4}$ lb. \$3.50.

BEAUTY

This is a recently developed late-flowering strain. The plants grow nearly 3 feet high and bear their very large, densely covered flowers on long, strong stems. A very desirable addition to the Aster family on account of their late-blooming character and excellence for cutting.

Light Blue	Carmine-Rose	Purple	Light Pink	White	Mixed
------------	--------------	--------	------------	-------	-------

The above colors, Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50

SINGLE COMET ASTERS

This type of Asters has met with considerable demand recently. From a decorative point of view the possibilities are immense. Their large blooms often measure 5 to 6 inches across.

White	Light Rose	Scarlet	Light Blue	Dark Blue	Mixed
-------	------------	---------	------------	-----------	-------

Any of the above colors, or mixed, $\frac{1}{4}$ oz. 30 cts., oz. \$1, $\frac{1}{4}$ lb. \$3.50

MISCELLANEOUS ASTERS

HEART OF FRANCE

The plants grow about 2 feet high, are nicely branched, and bear their long, rich, deep ruby-red flowers on long, strong stems. Blooms with the late-blooming sorts. Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50.

LAVENDER GEM

In the full, double flower, the feathery effect of the ostrich-feathered type is enhanced by the fact that it bears long, partly tubular florets that are irregularly cut and slashed, resembling ragged chrysanthemums.

Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50.

MORETON PINK

This beautiful Aster is a pleasing shade of salmon-pink. The flowers are full, double, of medium length and very broad. A splendid variety for cutting.

Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50.

BALL'S WHITE

Finest midseason white Aster in cultivation. The flowers are 4 inches in diameter and exquisite in form, and the plants are taller than those of the late upright Asters. The plants are extremely vigorous, and they carry about twelve large flowers on strong stems free from side branches.

Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 50 cts., oz. \$1.50.

HARDY PERENNIAL ASTERS

Michaelmas Daisies

Single, fall-flowering, plants which thrive in any good garden soil.

ALPINUS

Large bluish purple flowers in May and June. Good rock-garden plant. Height 9 inches. Trade Pkt. 25 cts., $\frac{1}{4}$ oz. 75 cts., oz. \$2.50.

NASTURTIIUM

New Double Sweet-scented (Dwarf), Golden Gleam

The plant forms a large, vigorous bush which throws out short runners averaging 18 inches long. The flowers commence to come as soon as the plant nears complete development, and at the time it is in full bloom the entire plant, including the runners, is a blaze of color. The large golden yellow flowers average 2½ to 3 inches across. They are borne on erect, stiff stems, 6 inches long, consequently stand well above the foliage, an arrangement which adds immeasurably to the showy appearance of the plants.

S. & W. CO.'S SWEET PEAS*Early-Flowering Varieties*

The number of varieties of Early-flowering Sweet Peas that are now being offered has become so numerous that we have been obliged to make a careful survey of the kinds that are distinct in their color and also those that do best in the various parts of this country. The following list, we feel, covers this need quite well.

TWELVE NEW VARIETIES

Early Pal (*Long-stemmed*). A pleasing shade of rich rose-crimson. The flowers are of excellent form, large and bold. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Apollo (*Long-stemmed*). The color is a soft salmon-cerise which might be described by many as a soft salmon-pink self. The flowers are unusually large, nicely waved and splendidly placed. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Sparkle. Its color is bright, clear, vivid scarlet, and is quite sunproof. The flowers are large, bold, and nicely placed on the stout stems. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Vogue. This variety is an improved Early Lavender. It is a selection of the popular lavender Early Harmony. The flowers are large and well placed on long, stiff stems, and most of them carry four blossoms. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Majestic Rose. An immense, deep brilliant rose-pink similar to Zvolanek's Rose but of a richer, deeper tone. In growth, length of stem and size of bloom it excels all other Early Sweet Peas. 1 oz. \$1, ¼lb. \$3.50, 1 lb. \$12

Early Valencia. Bright orange, sunproof, of a slightly softer tone than Orange King. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Blue Bonnet. An extra-large, fine deep blue, the color being evenly distributed with not the slightest trace of mauve. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Sunray (*Long-stemmed*). The blooms are brilliant, glowing, yet soft cerise, on cream ground with just a suspicion of orange suffusion. Its stems are phenomenal in length and stoutness, many 16 to 17 inches in length, and they continue to hold their length long after most other varieties have become shortened. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Belle. The color is a clear rose-pink on deep cream ground, and is laid on evenly on both standards and wings, showing, however, an intensification of cream at the base of the standards. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Pride (*Long-stemmed*). Early Pride is a pure cerise of most even coloring, deeper in shade than Early Sunray, with large flowers, well placed on long stiff stems. 1 oz. \$1, ¼lb. \$3.50, 1 lb. \$12

Early Marine. This is the clearest of all blues and is a truer blue than even Mrs. Tom Jones and a bit deeper in color. Both standard and wings carry this blue evenly throughout the entire flower. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50

Early Oriental. The deepest cream in cultivation today. Its stems are exceptionally long, some sprays measuring 16 inches and over, and it retains its length of stem until late in the season. Its color is a clear, deep cream. 1 oz. 75 cts., ¼lb. \$2.50, 1 lb. \$7.50
